

**HCC  
KIDS CHURCH**  
K-5<sup>th</sup> Grade

**Health & Safety Guidelines**

Protecting the health of our children, families, and volunteers while worshipping our Lord & Savior is important to all of us at HCC

**Health & Safety Practices in Place**

- Individuals entering the Youth Center for Kids Church shall have their temperatures checked before entering for the first time.
- Any child or volunteer displaying respiratory illness symptoms or fever will be asked to return home.
- All children and volunteers must wear a mask or face covering.
- Hand washing/sanitizing is required when entering the Youth Center for Kids Church.
- External drop-off and pick-up of children.
- Physical distancing will be practiced.
- Each child will be provided with a personalized supplies canister. Canisters will remain at HCC.
- Each child will receive a small bottle of water in-place of using the drinking fountains.

**A Healthy Sunday Begins and Ends at Home!**

A healthy Sunday really does start at home. Here are some things you can do to help your child have a great Sunday Morning Kid's Ministry experience.

- If your child is showing signs of illness such as running a temperature, throwing up, has diarrhea, nasal drainage and/or coughing/sneezing, keep the child home.
- Teach your child to sneeze/cough in his/her sleeve and to wash his/her hands often while at Kid's Ministries, especially before eating and after toileting. If you really want to achieve impact, teach your child to accompany hand washing with another behavior: keeping their hands away from their face.
